Please note that our kitchen contains and uses all allergens and so we cannot guarantee that ANY dish is “FREE FROM” any allergen, especially nuts and gluten; however where marked we use allergen free ingredients and carefully cook to avoid any potential cross contamination.

ALL our ingredients are sourced as locally as possible: some of our soft fruits and vegetables only come a few yards from the Guy's and Flowerpots allotments opposite! Our meat ingredients are supplied by M C Kelly in Crediton and Complete Meats of Axminster. Fish usually comes from the markets in Looe and Brixham. We make our dishes here on the premises and cook from fresh. This means at busy times there may be a wait for your food- please bear with us, we hope the wait will be worth it!

**We now also serve PIZZA!**
